ROMAN BLINDS

The Perfect Roman Blinds

Vista roman blinds offer effective and stylish window covering, and with our range of fabrics and colours available they can be virtually used in any room, in any setting.

A welcome break from traditional curtains yet retaining the same luxurious look, Vista roman blinds offer a more contemporary look than their counterparts.

ROMAN FEATURES

Handpicked Premium Fabrics

Whether it is plains, jacquards, textured or crushed look we have a range of fabrics to choose from for your Roman blinds including linings to suit. Perfect for residential use, selecting the perfect cover for your interior was never easier. Available in stitch less mechanism also.

Forget Curtains

Roman Blinds can be lined the same way as a curtain is lined, to give complete block out or using polyester cotton lining that is translucent but provides the base curtain fabric protection from the sun.

Love at First Sight

Vista Roman Blinds range utilises curtain fabrics and lining from our extensive fabric range.

A Roman Blind offers a clean tidy look and can be positioned either inside or outside the window frame/opening allowing the blind to be raised above the window thus not restricting the view and making you just to fall in love with them.

Do the Romans

Available in manual as well as motorized options, Vista Roman Blinds with Bottom-Up or Top Down movement, perfectly answers your desire for the best of both worlds—soft, natural light or soothing darkness.

The revolutionary design combines a light-filtering or sheer front shade with a room-darkening back panel that both roll on a single roller. It's day-night convenience at your fingertips.
